While it is understood that you cannot participate 100% of the time, that is our goal! You are encouraged to attend as many events as possible. Unit members are required respond to the

orders with their availability to attend a scheduled upcoming event, no later than seven (7) days prior to that event.

7. Rank and Structure

This Unit is commanded by an officer. A Sergeant serves as senior NCO and an Authenticity Officer will also serve as a member of the staff. The staff also includes a Mess NCO, a Supply NCO, Squad Leaders and a Safety Officer. This group comprises the unit staff and is responsible for formulating unit policies based upon all members' input when at all possible and/or practical.

All new members will enlist as privates. PFC is awarded after one year of membership and by attending a minimum of three Unit events. Additional promotions, when made, will be determined by the attendance and the recommendation of the Staff.

8. Safety and Authenticity Regulations
